Exhibition

You are invited to **The Great Big Art Exhibition!** While the doors to museums and galleries are shut, let's unleash our flair and creativity. Using our schools, front windows, gardens or balconies to display what we make.

Whether you are a pro, enthusiast, dabbler or complete novice, join the nation to make the largest exhibition ever staged!

This exhibition is being launched by Sir Antony Gormley, a famous sculpture artist known for 'The Angel of the North' and his 'Field of People'.

Here are some of his famous pieces. Visit his website to see more of his projects and exhibitions!
