

# **The Primary** PE and sport premium

Planning, reporting and evaluating website tool

**Updated September 2023** 

**Commissioned by** 

Department for Education

**Created by** 

This template can be used for multiple purposes:

 It enables schools to effectively plan their use of the Primary PE and sport premium

 It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium

 It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make additional and sustainable improvements to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use

they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated <a href="Primary PE">Primary PE</a> and <a href="Sport premium guidance">Sport premium guidance</a>.

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2026.** 

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

## Review of last year's spend and key achievements (2024/2025)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments

club		

#### Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport

- High quality CPD delivered throughout the year
- Appointed a leader of PE who is able to inspire others
- All staff to teach PE with a subject agreed with PE Subject leader.
- Assemblies and reporting to leaders
- Attendance at NST PE Network meetings

- Pupils are able to articulate the importance of daily exercise.
- Staff are more confident teaching PE.
- Pupils are able to describe PE lessons and objectives taught.
- All pupils participate and understand variety of athletics rules at Sports Day (Pupil Voice).

#### Key Indicator 2: The engagement of all pupils in regular physical activity

- Explicitly timetabled PE lessons (2 lessons per year group).
- Systematic timetabling for wide-ranging in/after school club provision by PE Lead and Ta's in agility, football, multi-skills, athletics, cricket, tennis, Dance, striking & fielding.
- Targeted Fun Fit sessions supporting gross and fine motor skills
- Targeted inactive pupils in-school Healthy Eating initiatives and extra-curricular sports.
- The Haydn mile, after school provision in agility, multi skills, athletics, football and netball.
- All Year groups have access to equipment at

- Children had many opportunities to experience and take part in a range of different activities and sports.
- All pupils can identify and describe PE lessons and skills learned (Pupil Voice).
- Increased fine motor development skills for targeted children.

playtimes to develop agility and fitness.

- Targeted work with individual pupils.
- Encouraging pupils to walk, scooter or ride on bikes to school.
- Equipment available during break times to enable children to keep active

Key Indicator 3 The profile of PE and sport is raised across the school as a tool for whole school improvement

- Ensure PE and school sport is visible in school (Sports display board, website, recognition of pupils)
- Use PE and sport to enable the development of life skills that are transferable to other curriculum areas, wider school and beyond.
- Use PE teaching to aid fine and gross motor skill development.
- PE lead establishing links with local schools for inter-school competitions
- Use of Sports Council and Sports Ambassadors
   Programme throughout school, engaging and
   facilitating pupil's ability to take responsibility for
   their learning and delivering of physical activities
   to the rest of the school.

- The majority of children have developed progressive skills across all sports.
- The majority of EYFS, KS1 and KS2 pupils have participated in competitive games in PE lessons and Sports Days.
- The majority of KS2 pupils have participated in competitive games.
- External providers come into school to provide taster sessions and assemblies to inspire children.
- Sport Ambassadors run their own clubs for younger pupils at lunchtimes. They help in the organizing and running of sports day and other whole year group events in school.

## Key Indicator 4 Broader experience of a range of sports and activities offered to all pupils

- Comprehensive provision of extra curricular sports clubs to all students, across all key stages
- A broad and comprehensive Progression Map, laying out the development of skills and knowledge to apply to a wide range of sports and activities.

#### Annual participation in competitions across a wide range of sports: 80% of KS2 pupils participated in an off-site sporting activity.

- PE lead tracks pupil's participation in sports in and out of school.
- Children are able to identify 5 different sports they have developed key skills and understanding in.

## Key Indicator 5 Increased participation in competitive sport

- All students to participate in competitive sports consistently through out the year.
- Students to develop healthy attitudes and approaches (resilience and enjoyment) to competitive sports and sportsmanship.
- Students have positive role models from competitive sports

- Consistent participation in inter-school competitions in a range of sports.
- Children given the opportunity to practice the sport before the competition, to increase confidence
- Children compete in intra-school competitions at the end of unit PE Lessons.

## Swimming: Meeting the national curriculum requirements for swimming and water safety.

- Percentage of Year 6 2024-25 cohort that can swim competently, confidently and proficiently over a distance of at least 25m - 96%
- Percentage of current Year 6 cohort that can use a range of strokes effectively (for example front crawl, breast stroke and breast stroke) – 90%
- Percentage of current Year 6 cohort that can perform safe self-rescue in different water-based situations – 98%
- We are well above Swim England's latest 'Active Lives Children and Young People' report average of 75% of children being able to swim in Year 7.
- Several children were able to demonstrate good levels of safe self-rescue activities despite not being able to swim 25m.

- No money from the Primary PE and Sport Premium was used to fund additional swimming lessons over and above the national curriculum requirements.
- Swimming was taught by qualified swimming instructors provided by Swim Nottingham.

## **Key priorities and Planning 2025-26**

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action Sports Premium £19,600
Clear and defined role of he Subject leader as the ocal expert Attendance of SL at all NST Network meetings then to eascade relevant information/guidance to all eaching staff SL to regularly liaise with all Class Teachers in regard to their PE provision thecking medium term planning and updating the PE Progression map when required and at least annually Gymnastics initiative — all children Year 1 to Year 6 to attend a specialist symnastic local provision expertise in teaching symnastics from working alongside gymnastic experts Dance initiative — all children Year 1 to Year 6 to be ceeive specialist dance provision from local eachers. All Class Teachers to gain		Key Indicator 1 Increased confidence, knowledge and skills of all staff in teaching PE and sport	Impact will be that the teaching staff both as a team and individuals will gain confidence, knowledge and skills within their PE curriculum Sustainability – changes in place for 2024 -25 will be a continued emphasis for 2025-26	Allocated leadership and management time £2,000 cover costs £4,600 Gymnastics costs £2,880 Dance Costs

### Key achievements 2025-2026

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

### **Swimming Data**

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

Question	Stats:	Further context Relative to local challenges
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	90%	Use this text box to give further context behind the percentage. e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	85%	Use this text box to give further context behind the percentage. e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	95%	Use this text box to give further context behind the percentage.
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	Not Applicable
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No
