

Dear Parents/Carers,

SPRING TERM 2026

Welcome back to a new and exciting term. We hope you all had a wonderful holiday and look forward to a happy and eventful new year.

Our Topics

Work in F2 this term will be based around the themes of winter, Cold Places, Traditional Stories and Festivals. In the first half term we will be thinking about the winter weather and finding out about animals that live in the colder regions of the world. In the second half term we will be reading 'The Three Little Pigs' and learning about the emergency services and other people who help us. We will be learning new songs and rhymes to support our topic learning. To immerse the children into their learning, we will be going on a winter walk around school and we will be visiting St Ann's Orchard to take part in a 'Three Little Pigs' workshop. We are also hoping that the fire fighters will be able to visit us, as well as the vicar from our local church. We will be celebrating World Book Day on Thursday 5th March.

Festivals, Seasons and Traditions

Chinese New Year falls on Tuesday 17th February, we will be celebrating the festival week commencing 9th February. The children will be trying Chinese food, making lanterns and a dragon head. We will also be going on a Chinese New Year Parade around school. This term we will also be celebrating the spring festivals of Mother's Day, (look out for an invitation to our Mother's Day Café) and Easter (we will be holding an Easter Bonnet Parade).

Underpinning this learning will be all the new skills that the children are developing. We are continuing to develop fine motor skills which enhance pencil control and writing. We are excited to continue to learn Phase 3 phonics sounds and will spend more time applying our phonics skills to independent reading and writing tasks. Towards the end of this term, we will be introducing challenges for the children to complete throughout the week. These challenges will encourage children to independently explore different areas of learning and consolidate new skills and knowledge.

We are looking forward to a busy and celebratory spring term!

Yours sincerely,
The F2 team
