## MESSAGES FROM MS PAULSON

Dear families, summer term is passing us by so quickly - it's hard to believe we are in the last four weeks of the school year! This point in the year is always busy, full of exciting events, day trips out, residentials and children's performances. Lots of enjoyable learning takes place, but it is also a time for change for our children as they begin thinking about moving up to their new classes or, for our Year 6 children, their new schools. This can prompt some big feelings and we will work with the children sensitively and positively to support their transition. The children are finding out today who their next teacher will be in September.

## **LUNCH BOX CONTENTS & LABELLED SCHOOL UNIFORM**

Please can children take home any wrappers from food items in their lunch boxes. We currently are finding a lot of litter around the school grounds.

Also, please remember to label **all** school uniform, so we can reunite lost items with their owners. Thank you.

## **YEAR 4 AND YEAR 6 RESIDENTIALS**

Well done to our Year 4 and Year 6 children for being absolutely amazing on their recent residentials - Year 4 to the Redwood Camp at Thoresby and Year 6 to Shropshire. All the staff who accompanied the children returned saying what a pleasure it was to take away such responsible, resilient and happy children. They represented Haydn beautifully! Thank you to the Year 4 and Year 6 teams for organising and investing their own time into such valuable events - the children will remember these for years to come!

## **SUMMER CONCERT**

Haydn musicians performed at our summer concert on Thursday evening in front of a packed audience of families and friends. The evening was a musical delight and showcased the children's talents and musical accomplishments. The talent was outstanding as they performed solos, duets or as part of a group. Well done to everyone who took part and a big thank you to Mrs Needham and the music team for putting together such a wonderful programme! Music and the arts are very much valued at Haydn and we are proud of the provision and opportunities that children have across the curriculum.

## **MARTHA'S TURNER SYNDROME DAY ASSEMBLY**

I would like to say an enormous thank you and well done to Martha in Year 6 for her presentation in an assembly on Tuesday about her experiences of living with the rare genetic condition, Turner Syndrome. Her presentation was informative and confidently delivered - we were all very proud of her. I love that children talking about their differences and needs feels a natural part of the school culture and that children are learning to build empathy and respect for diversity. Thank you Martha for your openness and being such a great role model!
